# CRAFTS: HERO SHIELD

### Preparation

- Separate glitter stickers. Set out jewels and stickers. Be sure to keep some back for the rest of the week.
- Set out small trash containers so children can keep the trash separate from the stickers and jewels.
- Set out colored tape. You may want to precut various size and colored strips ahead of time.
- Set out markers.
- Set a sheet of scratch paper at each station.
- If you have time, you can write the names of the children on the role on a "Hero Code" label.

### Directions

1. Give each child a shield.
2. Encourage them to use the tape, markers and stickers to personalize their shield.  
**(!) When using the markers, encourage the children to color carefully and over their sheet of scratch paper so they don't mark themselves and the tables. (!)**
3. Place their Hero Code label on the "back" of their shield, near the handle.
4. Allow children to role play with their shields. You can talk about the Armor of God and how the shield of faith can help us face our fears.
