HOMEROOM

"GOD WORKS THROUGH ME" POSTER

Write the phrase, "God Works through Me" on a large sheet of butcher paper. Ask the children what kinds of things God can use them to do. For example, God can use them to tell others about God, invite others to church, or help a friend who is discouraged or sick to feel better. When they are older, God can use them to be missionaries or pastors or anything else that God needs them to be. As you talk to the children, write their ideas on the poster. As you continue to talk about their ideas, use paint or ink pads to put their hand prints on the poster. Be sure to write their name by their handprint. When they are finished, clean their hands and hang the poster board in your classroom so that they will be reminded of what God can do through ordinary people whenever they see it throughout the rest of the week. Challenge the class to pray that God would use them every day.

COLORING SHEET

Use age appropriate crayons or markers, and tables/chair or high chairs so children can color their coloring sheet.

CARE FOR BABIES

Using several baby dolls, doctors kits, wipes, blankets, bottles, etc show the children several ways they can care for babies, and then encourage them to care for the babies.
