GOD'S HEROES HAVE COURAGE!

MISSIONS
Day 2

Mission Aviation Fellowship
The Vennell Family

Mission Aviation Fellowship began in 1945 as the Christian Airmen's Missionary Fellowship (CAMF) with military pilots who wanted to use the skills that they had learned during World War II for God's glory.

Betty Greene flew the inaugural missionary flight to Mexico on February 23, 1946.

They flew into Ecuador in South America with a missionary named Jim Elliot and changed an entire people group and nation with their willingness to sacrifice themselves for Christ's cause.

MAF began setting up a short-wave radio network in 1952 so that missionaries in faraway places could radio their families back in the United States.
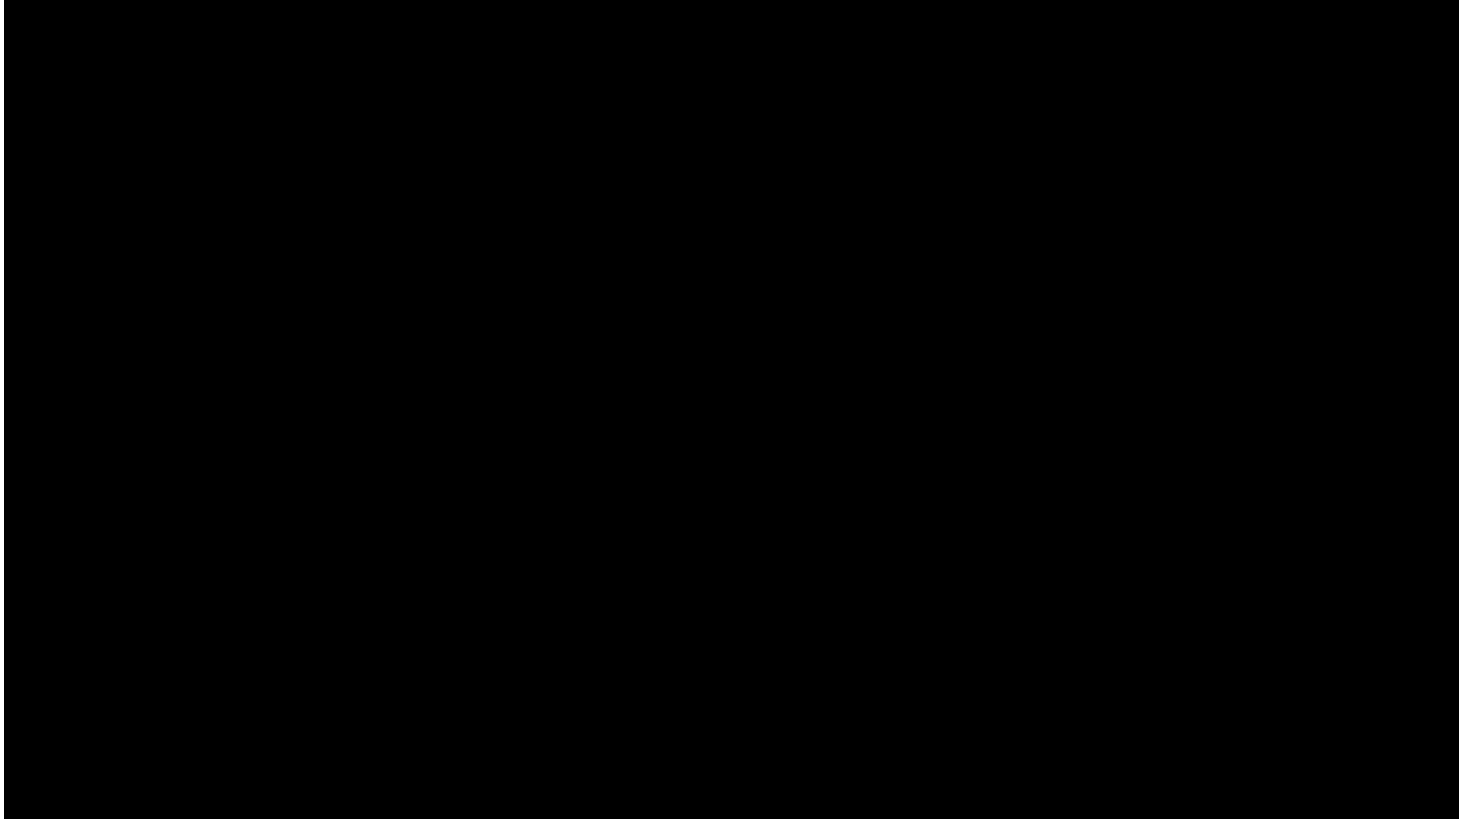

Mission Aviation Fellowship flies missionaries, medicine and mail into places that are far from roads and cities. Places where other people can not go!

MAF developed landing strips in Indonesia and throughout Africa so that every person could be reached with the Good News of Jesus Christ.

The Vennell Family are missionaries with Mission Aviation Fellowship.

GOD'S
HEROES HAVE
COURAGE!

The Vennell family has COURAGE to fly small airplanes
into some of the most remote parts of the world.
Courage means doing the right thing even though you are afraid.

Have I not commanded you? Be strong and courageous. Do not be afraid; do not be
discouraged, for the Lord your God will be with you wherever you go. – Joshua 1:9

When is one time when you had to have courage?

Acts 4:13

When they saw the courage of Peter and John and realized that they were unschooled, ordinary men, they were astonished and they took note that these men had been with Jesus.

Who can help you to have courage?

Psalm 41:1
Blessed are those who have regard for the weak;
the Lord delivers them in times of trouble.

How can we be friends to those who have troubles?

1 Corinthians 16:13
Be on your guard; stand firm in the faith; be courageous; be strong.

If someone stands with you is it easier to be courageous?
