# CRAFTS: HERO MASK

### Preparation

- Separate glitter stickers.
- Set out jewels and stickers. Be sure to keep some back for the last day.
- Set out colored tape. You may want to precut various size and colored strips ahead of time.
- Set out small trash containers so kids can keep the trash separate from the stickers and jewels.
- Set out crayons and markers
- Set a sheet of scratch paper at each station.
- If you have time, you can write the names of the kids on the role on a Hero Code label.

### Directions

1. Let each child pick out their own mask.
2. Allow children to decorate their masks with the provided materials.  
(!) When using the markers, encourage the children to color carefully and over their sheet of scratch paper so they don't mark themselves and the tables. (!)
3. Assist with colored tape if the child chooses to use it.
4. Attach elastic headband to masks.
5. Label child's mask with the Hero Code label and their name.
6. Allow children to role play with their masks. Talk about how they can be wise.
