### BURNING BUSH PICTURE

1. Give each child a copy of the burning bush template. Write their name on their page.
2. Provide yellow, orange, and red watercolor paints. Dilute the paints so they are very runny. Dip your brush in the paint and then hold it over the tree picture until the paint drops on the picture.
3. Show your children how to use a straw to blow the paint in different directions to make it look like flames.
4. Set aside to dry.
